

Situated a stone's throw from the world renowned Hobie Beach, and adjacent to the Boardwalk Casino and Entertainment World, The Beach Hotel is probably the most attractive landmark along the Friendly City's magnificent beachfront. The safe, gently sloping stretch of golden sand on Hobie beach is the ideal watersport playground with hobbies, bathers, windsurfers, yachts and surfers revelling in this stretch of ocean.

The Beach Hotel also offers a choice of 3 unique dining venues, a beautiful pool deck for those lazy summer days as well as a newly constructed Conference Centre with 3 different venues to choose from, catering up to 120 delegates.

But perhaps the nicest feature of The Beach Hotel is the way you are cared for. Our staff will go out of their way to ensure that you receive the service and hospitality which makes The Beach so inviting...
